

BECKY HOLLANDS
SKIN AESTHETIC SPECIALIST

Becky is a registered nurse who for the last 7 years has specialised in facial aesthetic treatments. She is a Nurse Independent Prescriber, a qualification that enables her to prescribe aesthetic treatments in accordance to government legislation.

Continual training, communication, confidentiality and understanding clients' needs are vital to achieve effective, safe and ethical treatments.

Before treatment, a thorough consultation is required, this ensures all aspects of pending treatment are covered by the client and Becky. Becky is a member of The Royal College of Nursing and The British Association of Cosmetic Nurses.
